Yale Luna Pro+

Stop, look, go.
Simply effortless

Family always comes first in our mind, so do our innovations. Meet Yale Luna Pro+, the face recognition using Yale FaceScan technology powered by 3D structured light to enhance the security of your entrance. The best solution you can ever have for your beloved kids, parents and family members.

With our patented off-centered design, it enables safe operation without having the risk of finger pinching. The fully-auto lockcase makes smooth and fast locking or unlocking experience with low noise. This modern and sleek design smart lock complements your home like no other.

Yale Luna Pro+ allows you to open door in various ways, you can enjoy the access option either via face recognition, fingerprint scan, personalized PIN code, CPU card or simply via Yale Home app.

Effective recognition height range:
120cm-190cm

Effective recognition distance:
40cm-100cm

Yale FaceScan

The face recognition using Yale FaceScan technology powered by 3D structured light to enhance the security of your entrance. The speed of the door unlocked is as fast as a blink of eye, with lower than 0.001% false acceptance rate.

The best solution you can ever have for your beloved kids, parents and family members.

The off-centered design, an innovation solutions to an old problem

We hear you. We are back with a world-first solution to an old problem. With our patented (or patent-pending) off-centered design and an advanced lock case with 60 or 70mm backset, we took care of your worries about having the risk of finger pinching, especially to your loved ones. Not only that, but we have also improved the design to make the queen and princesses in the house happy with less worry about their nicely done manicure. Stylish, elegant and yet practical, and flexible

Yale Luna Series won the Sunflower Awards 2022

The fully automated locking and unlocking

We love our families. Family always comes first in our mind, so do our innovations. With Yale, your family is always in our minds when it comes to securing your home entrance. Our cutting-edge fully-auto lock case enables smooth and fast locking and unlocking experience, fully automated with low noise. Now, even your kids can open and close the door safely and effortlessly, thanks to the fully-auto operation.

Yale Home

Yale Home app*

Turn your lock into a Smart Lock.
Access and control of your lock remotely.

Keep your home secure

Check if your door is locked from anywhere

Monitor access from anywhere

Always know who is coming and when

Control who has access

Let visitors in and out when you are not home

Enable voice assistant**

Integrate with voice assistants including Apple Homekit, Amazon Alexa, Google Assistant for hands-free control

Manage lock settings

Access your lock settings from your phone

** Applicable for selected models

Yale Home kit

* Yale Home kit is required for Yale Home functionalities (sold separately).

App control

Lock and unlock your door from your app, anywhere in the world.

DoorSense™ technology

The lock will check the status of the door and tells you if your door is securely closed and locked.

Activity monitoring

See who comes and when with the Activity Feed. Check who unlocked the door and if or when it was actually opened. Set-up alerts to notify when specific people arrive home.

Guest access

Grant unlimited digital keys valid for a few weeks, a few hours, or a few minutes. Never worry about lost or stolen keys again. (App access cannot be copied like a key)
